Is this a tax-deductible contribution?

When you purchase Jaguar tickets through our site, you will receive a receipt from the electronic payment system for your total purchase amount and a confirmation email from the Nonprofit Center explaining the amount of your purchase that is tax deductible (\$10 per ticket). Be sure to save and/or print the confirmation e-mail you receive for your tax records. Only 501(c)(3) organizations, as determined by the IRS and registered with the State of Florida, are eligible to participate in this partnership between the Nonprofit Center, Jacksonville Jaguars, Jaguars Foundation, the DuBow Family Foundation, and WeGive.org.

How will I receive my tickets?

After purchasing your tickets, you will receive a call from the Jaguars ticket office. Tickets will be mailed or emailed to the delivery address on the order form at no extra charge. Tickets must be purchased at least 4 business days before the select home game to be shipped. For example, tickets for a Sunday home game must be purchased by 5pm on the Monday before. All tickets purchased after this time will be placed at will call. You must have a photo ID to pick up your tickets at will call.

What is the deadline to purchase?

All ticket purchases for each home game must be made by 3pm on the last business day before each game. For a Sunday home game, tickets orders must be submitted by 3pm on the Friday before. Please note that inventory is limited, so game tickets may sell out before the purchase cutoff time.

How much do tickets cost?

Between May 10 and August 31, tickets are available in three differently priced sections, \$40, \$45, and \$50. Starting on September 1, tickets for all games will be \$45, \$50, or \$55, except for the Green Bay game, which will be \$50, \$55, and \$60. Ticket orders will be fulfilled with best available seating locations within the price range you purchased on a first come, first serve basis by the Jacksonville Jaguars ticketing department. This is the most affordable game day ticket available!

How do I know what specific seats are available?

If you need information about specific seats for any home game or if you require accessible seating, please contact David Scordo at 904-633-6501 or scordod@nfl.jaguars.com.

How much money is donated for each ticket purchased?

With each ticket purchased, \$10 will be donated directly to the charity of your choice. On top of that, your donation may be matched by the DuBow Family Foundation and the Jaguars Foundation, providing you favorite nonprofit with the opportunity to raise \$30 per ticket!
